Subject: Dog locked up next to house 24/7

Good afternoon Jaco

Got your email address from Ellen Husselman.

I reported to you on 01/06/2022 about 2 dogs at JAN CILLIERS STR 42, PAROW NORTH, the 1 dog is in the backyard on a chain, the other dog is locked in a corridor next to the house..

PREVIOUS REFERENCE NO-INSP168179.

Your inspector was there, found that the dog in the backyard did not have a kennel, where he gave the owner 2 weeks to get a kennel.. which was done. Your inspector found that the space where the dog was locked , is big enough, there is a kennel

.
I called and spoke to a lady there and asked her that apart from the space for the dog, whether it is fair to the dog to be locked in that space 24/7, no attention is given to that dog. didn't walk or play with the dog, to which she replied that it wasn't right and that she was going to call the owner, I don't know if it was done...it doesn't seem like it.

I drive past the house about 4 times a day and also walk past the house every time, you don't see the dog, he lies in his kennel.. now and then by the gate with his back to the gate. What I can't do don't understand, the owner is at home all day and there are 3 big children, it could be the weekend, school holidays, but the dog stays locked in that passage . I want to know why they have the dog.

It is then in front of the house. why doesn't he make the gate so that the dog can walk around in front, 3 months ago the owner sat there and then the dog was outside, only for about an hour.

I would like you to go back to the house and talk to the owner that what he is doing is not right towards the dog..in my eyes it is animal cruelty, what is the life of that dog CLOSED there is not even grass .The owner will perhaps tell you all kinds of stories, and they will all be false stories.. there are still neighbors who talk about it who know what is going on there.

I would really appreciate it if you could go and have a look and talk to the owner BIG PLEASE, I feel very sorry for the dog.

Feedback will be appreciated.

beautiful day

Mrs. Snyman
