Inspector: THEO ARENDOLF

Type: CALL RECORD - MADE
Follow-Up Date: 2023-04-05

Comments: Called 021 9099563 spoke to constable Mqaba who was not much help as she transfered me to the holding cells to another constable who transfered me to the detectives but the phone rang for a while and after that it just went off.

I decided to use one of my contacts to follow up with this case as it's been a while and the detective has never given any information on this case.
