nathalie <nathalie@vttire.co.za>

Hi,

I went to the Cape Winelands light railway again yesterday. (See email below) The goats did not have clean straw and proper shelter again. The bedding that they did have, was full of those big ants that bite.

And full of excrement. Definitely not nice for the animals. Did you go there the last time I complained, because I had no feedback? I can provide some photos too.

Kind regards,

Nathalie Tane
