Follow-Up Date:	2023-02-06
Comments:	I phoned and spoke to Lizette. She told me that she might be able to bring the dog to the SPCA next week Saturday for blood work since she will have a operation this week. We can follow-up after 2 weeks to find out since she did comply and took the dog to AACL a few times already and they cant determine why the dog always appear to be underweight
