Date: 2023-04-12
Time: 13:43
Inspector: WERNER TALJAARD

Type: CASE DISCUSSION NOTE
Follow-Up Date: 2023-04-14

Comments: On my arrival the owner was not at the shop I spoke to the worker.i saw the fish in the tank but it was also load-shedding at the time in the area .
I noticed that one of the tanks does not have plants and the worker said they took out the plants on Saturday and they are waiting for the owner to buy new plants.

I will speak to I do Philander regarding this case to action warning/notice
