Subject: Re: Illegal confinement, inadequate shelter and runner too short

Good morning

Neglect report 2/5

Roxy & sister (720 Dammert Street, Bellville South)

I can't seem to find a case number for these dogs so I've attached the address and sms that I received; I reported Roxy and her puppy sister for illegal confinement and unsanitary living conditions but when I saw them on Friday night I was surprised to find that they were both still illegally confined but because I haven't phoned for feedback yet I can't assume anything. Could I please receive feedback on this case?
