Time: 19:19

Inspector: WAYNE HECTOR

Type: CALL RECORD - MADE

Follow-Up Date: 2023-01-31

Comments: I have contacted Zelda with regards to the mare and she stated that she has summoned her vet and that the growth is due to an old injury that was treated but has now become an abcess which is an accumalation of puss under the skin. The mare is also pregnant. She will keep me updated. I will do a recheck in nextweek due to huge case load and non completions that has to stand over every day.
