General Report Comments: Upon arrival i met with Carolyn Joy Smith and Graeme. I introduced myself and stated my reason for being there. She welcomed me and allowed to conduct the inspection.

I observed the livery, there are 35 horses but only 10 in her care. The horses are in good condition, sound and alert. The paddocks are in pristine condition, with adequate shelter, water and a clean living environment for the horses.

She has one 26years old gelding horse named Levi that she rescued from Mitchell's Plain 5 weeks ago. It is slightly underweight, she has it on GCS MAX and oil to help him gain weight, she claims that is has gained weight and is keeping a close eye on him.

A follow-up inspection to be done in a month.
