General Report Comments: Upon arrival I met with Lutho, Luxolo's son. He told me that his father is away on business but was happy to give me access.

The dog's are in good condition with access to adequate shelter, water and a fairly clean living environment. The dogs do not dig under the fence anymore as Luxolo has added slabs and wire along the fence.

Lutho mentioned that his father wanted to know if we can assist them with sterilizing the dogs.
