General Report Comments: On my arrival, I met with a man who Introduced himself as Wouter Morgan, he allowed me onto the property to conduct the inspection.

After I have told him the nature of the complaint, he assured me that I was at the wrong address, he further mentioned that he only owned two dogs, which are both Jack Russell's, he further mentioned that he will never own the Pitbull as he doesn't like that breed.

Both dogs appeared to be in a fair condition, there was drinkable water and they sleep inside the house

I have left his house, from outside of the property, I wnet through the complaint hoping to find the contact details of the complainant, unfortunately there was no cellphone number, it appeared as if the complaint came via email.

I will ask control to send an email request the correct address.
