I observed the two dogs in question who appears to be in fair condition and alert with body scores of 3/5. They were free roaming. They had access to adequate water and a clean living environment.

I then issued a NTC for the owner: To ensure the dog stay free roaming remove the doors from the cages seen.

2) Cover the third side of one of the kennels as shown on property to ensure the dogs has access to adequate shelter that protects them from all weather elements.

3) You have 7days to do so.
