Inspector:	NICOLE VENTER

Type:	DOCKET DISCUSSION
Follow-Up Date:	2024-02-20
Comments:	DOCKET COMPILATION

I am listing all the outstanding dockets. I will be emailing Supervisors with notes for Inspectors to action in assistance with compiling the dockets. This will unfortunately have to be done until such time there is no longer a back log of dockets. After emailing Supervisors, I will reassign cases back to Inspectors. WT case to be updated next week.
