Type:	DOCKET DISCUSSION
Follow-Up Date:	
Comments:	Shiven has reviewed the case. We should not proceed with a docket as there would be a nolle prosequi. The offence / degree thereof does not warrant a prosecution because the issue of the dogs' condition was not determined. The animals gained weight/picked up condition and then lost condition - the condition was inconsistent. There are poor prospects of success for this case. Additionally, the dogs were never claimed by the owner. NFA.
