Comments:	I called Macassar SAPS on 021 857 7129. A man answered and said he remebered registering the docket last week. He confirmed the case number: CAS 164/01/2024. He additionally confirmed that Sergeant Bele is the IO that has been assigned to the case. The copy docket has been scanned and saved on the drive and the case register has been updated accordingly. I will follow up with both Sgt Bele and Lwazi on 22 February 2024 to find out if there is any updated feedback on the case.
