Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2024-01-08
Comments:	I have not started compiling this docket yet. I have instead completed the docket content for INSP193271, INSP178329, and INSP180850. I will start drafting docket content for this case this week. Given there are other cases which also need to be completed, I will try and have this docket compiled by this Monday, 08 January 2024.
