Subject: Re: CoGH SPCA: Reoccurring neglect

Good morning Roshin
Thank you for your response.

I saw this dog last night and had to stop myself from correcting his shelter as I believe that they need a visit from you but obviously you need to see proof of what I'm reporting. There was no water but due to today's heat, I had to give him access to some.

Please could you let me know if this case has been visited yet.

Thank you
Jessica Robertson
