Hi There :-)

You guys have been there a few times - a few complaints - JRE Transport in Selsdon Street Beaconvale. I think it is 10 Selsdon Street.

Our company feeds them every morning - along with a few other companies in the road - but they are looking in a bad way and as I said, we were nursing the girl who had a big gash in her head last week. The bigger one - he is honestly lovely. The very small one is the one that sometimes comes for food with stuff wrapped around his neck - so they tying him up. They were skin and bone last year until we started feeding them. They seem to be barking at people and almost attacking some but the big boy i dont think has much teeth in his mouth :-(

Thanks so much for responding.

Have a great day :-)

Denise
