Follow-Up Date:	2024-01-17
Comments:	Morning Mr Jacobs Compliments of the season. I hope you managed to get a break! Did Sgt Louw by any chance come and see you about that bogus vet case? I gave her everything she needed for the case. She just had to get the affidavit from the one vet that saw the cat. We really would like for this case to be reinstated ASAP. Looking forward to your response. Regards, Jaco SPCA
