Subject: CoGH - Security company keeping dogs in cages in the hot sun.

Good morning,

This was reported via Facebook:

Hi I don't want to waste your time.

But there are German Shepard dogs caged at the bottom of our road by a security company. Their cages are in the sun, and I see that they get walked once a day around the block. When I looked at the face of the dog being walked he looked so freaked out. Is this legal?

Name: Danielle Klaff

Address: The address is a plot of land behind the graveyard cor Main road and Hughenden road Hout Bay

The security company is the Red Ants

Phone number: 0727970904

Warm regards,

Tharien
