Comments:**DOCKET CONTENT COMPILED**

I will schedule the below for next week so that it can be reassigned once a docket day has been scheduled.

Please can you make the below changes on your docket day?

A1 Statement: Werner Taljaard

I edited your drafts into the new templates. Please can it be ensured that going forward, the new templates are used so that I don't have to take extra time to edit the templates accordingly. Please see my comments in the affidavit in the 'Docket Content' folder. Please ensure all relevant details have been included (such as signs of pain in the puppy – yelping when neck touched, etc.). When adding in new details please remember more of the vet examination and take the vet's report into account as well .

A2 Magisterial Authorisation

Does Ottery fall under Cape Town or Wynberg? Please confirm with me so that I can update the content and the number listed on the Contents Page.

A3 Statement: Bryan Arendse

I have sent Bryan with his drafted affidavit which includes my comments . He will update his affidavit and then send it back to me. I will then update the listed content and edit the Contents Page accordingly.

A4 Photo Evidence A

I have sent Bryan photo evidence A and asked him to ensure the phone make listed is correct and that the wording used is wording he'd use and remember on the stand. Once he sends it back to me, I will upload it and update the content folder.

A5 Admission Form A08509

I will print a colour copy of the form with the accused's signature .

A6 Photo Evidence B

Please read through photo evidence B and ensure all details listed are correct. Additionally, please double check that descriptions are words you would normally use and would feel comfortable using on the stand.

A7 Veterinarian's Report

I will print colour copies of the vet report for the dockets.

B7 Counts

Please thoroughly read through all counts and details to ensure correct and factual and to ensure that charges and explanations are relevant and make sense.

B8, B9, & B10

Please check all the details in the letters and ensure correct, especially letter to PP. Please compare the new drafts to your original drafts so that you can see why the new templates need to be used. The affidavits especially are in templates wanted by Jaco .

Once all the above has been done, please email me and I'll assign the case back to my name for final action.
