Follow-Up Date:	2024-02-28
Comments:	As confirmed by Randal and Roshin, the owner's collected and paid microchipping for their dogs on Friday the 2nd of February 2024. As discussed with Carine yesterday, I will do a recheck within 3 weeks to see whether everything is still held up by the owner's and if they didn't go back to their old ways.
