Type: DOCKET DISCUSSION
Follow-Up Date: 2024-02-09
Comments:

The docket has been compiled and the statements now need to be commissioned. Josh's statement has already been commissioned but both Lee's and Elani's statements now need to be commissioned.

ELANI TO ACTION:

Elani to come and collect her statements, get them both commissioned accordingly, and return them before the close of business on Monday, 12 February 2024.

NICOLE TO ACTION:

Today, I will ask Roshin if she can take Lee's statement home and just get him to initial and sign. If Roshin agrees, when his statement returns on Monday, I will ask Rudy if Jeff can take Lee's statement and get it commissioned before the close of business on Monday, 12 February 2024.

On Monday, after I receive all commissioned statements, I will meet with Elani to quickly go through the docket with her and show her everything I need stamped and signed by SAPS in the copy docket. Thereafter, Elani can register the docket sometime on Tuesday, 13 February 2024.

After meeting with Elani on Monday, I will note instructions to the case for Tuesday so that she can have the list on WT when she goes to Durbanville SAPS on Tuesday, 13 February 2024.
