Subject: RE: Anonymous 36 Syringa Cresc, Belhar

Good day Anonymous

We would like to provide you with feedback on this matter.

One of our Inspectors attended to 36 Syringa Crescent in Belhar today. The owner granted us access. We only found a Pitbull type dog on the property. The dog had access to water and sleeps under a roofed area. The dog is in acceptable condition. The living environment was also found to be clean. No contraventions in terms of the Animal Protection Act 71 of 1962 were found. The only concern found was that the dog was not sterilised, which is an Animal Keeping By Law concern.

We have closed the matter based on our findings. We please ask that you send us evidence of any abuse – without evidence, we cannot take action.

Kind regards

Jaco Pieterse
Chief Inspector
