| Comments:       | <p>On the 15th of December, I received a WhatsApp messages from the complainant, he told me that, he heard that i was at the property and the owners hide the dog, he mentioned that he has more information with regard the dog.</p> <p>I wanted to know which address is he referring to, then he gave the above address. I told him that, I have observed two dogs onto the property, he also confirmed that the owner of the dogs is Collen Clayton.</p> <p>David used to work at SPCA kennels, he mentioned that the dog attacked his mother in law or his family member, I wanted to know was the matter reported to Law Enforcement animal unit, he said yes, he called them but they never answered.</p> <p>He further mentioned that there is a community member who is willing to give us the statement based with regard the dog.</p> <p>I gave him the SPCA WhatsApp no and requested him to forward all the information to the number , I also told him that, we as SPCA, we enforce the Animals Protection Act, if the animal is not sick, there is a proper shelter, there is drinkable water and the living environment is clean there is nothing much we can do, I encouraged him to call the law enforcement officers . I have tried to screenshot our discussion.</p> <p>Then I have discussion the matter to Rudy, who also agreed with me that the matter need to be forwarded to the Law Enforcement animal control unit to enforce the bylaws.</p> <p>On our side we will close the case.NFA</p> |
