Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2024-12-03
Comments:	Upon follow-up, I met with the owner, who allowed me to enter the property to conduct an inspection of the animals. I observed that all the dogs were free-roaming within the property, with access to shelter and clean, drinkable water. The dogs had clean living spaces, and all appeared to be in fair body condition. One of the bitches on the property was pregnant. I offered sterilization to the owner, but he declined. He then inquired about how to apply for a permit, and I provided him with the city's email address for further assistance. THIS IS THE LAST REPORT FROM THE AREA INSPECTOR. WE NEED TO FOLLOW-UP AND ENQUIRE IF THE OWNER APPLIED FOR A BREEDING PERMIT FROM THE CITY.
