Comments by Inspector:

Officer Yaaseen Abrahams and I attended the auction. There were 300 cattle, 300 sheep and about 30 goats. There were 2 injured sheep which we performed emergency slaughter on without too much trouble from Carl. Additional to the required slaughter of 2 injured sheep, a warning was issued to Mr S. Dettmer with vehicle registration CPF 8737 for the overloading of sheep. The people who bought the injured sheep did not need to be issued with a warning as we performed emergency slaughter.
