Comments:	The dog was taken home by Andisile, after that i received a call from thr John, who was complanaing about about his tenants animals, he claimed that, the living environment was dirty, there are ticks walking on the walls, he also mentioned that there also flies, according to John the situation was unpleasant, i requested him to take a video of ticks walking on the walk as well as the flies, he refused, to take the videos, the reason why i wanted him to take the videos i wanted to see what he was talking as i was at the property on tuesday and i didnt see thosd parasites.i will follow up on this case possible tomorrow.
