Comments:	I called the owner on the given cellphone number but it went to voicemail unfortunately, I wanted to thnak her for seeking veterinary attention for the birds however we need to find out from her when can will she be able to seek veterinary attention at a bird specialist center to find out how she can combat the hairloss issue she is dealing with. The area inspector to follow up with this and we can be lenient with her by just educating her to seek veterinary attention as per the veterinarian advise
