Comments:	I cannot seem to be succesful in setting up a meeting with Lameez, she is either unavalable when I am ready to meet with her or I am unavailable when she is ready to meet and the case is just dragging. Now she is saying she might be available on Tuesday or ThursdThursday . Can we please place the name on area inspector's name and the inspector must note that he must send her a whatsapp message as she is deaf, according to her.
