Comments:	He didnt even listen when I tried to explain where I got the dove from!First of all Im a pensioner. Yes I have a NPO because unlike him Im doing the right thing looking and caring for God's animals.I dont receive any funds from Government so I do my own fund raising if needed. My cats always have decent food I buy Monty& Me, Ideal & Urinary tract from Feline Cuisine. And they receive wet food as well.I cant help to feel victomised and feels intimidated by his report.Is everyone receiving the same dreadful treatment who tries to do the right thing by applying for an adoption I wonder? Or is this the beginning of harassmment and rasism? As for the people who stays here, they dont even bother anymore to addopt any animal from the Grassy park SPCA. Why? They get the same treatment as I did.
