Subject: Re: Animal Cruelty Report - 1st Reminder

Dear Alroy

Thank you for your recent communication regarding concerns about the welfare of animals reportedly being kept on a property in Woodlands, Mitchells Plain.

This email serves to inform you that we have concluded the matter that you brought to our attention. During most recent inspections, the dog in question was not on the property. On 12 November, the inspector attempted to contact the alleged owner on a number that was provided by one of the neighbors, but the number went straight to voicemail on all attempts. Based on the results of the most recent inspection, no further action is required at this stage. We do however request that you inform us when the dog is back on the property for immediate action to be taken.
