Comments:	I requested Reanette to obtain a vet report of the last visit to the vet when the cat was euthanised, and was contacted by the vet afterwards to get clarity on what we need, where I said that we would like to know what the diagnosis of the cat was on that day for the vet to determine that euthanasia was the most viable or only option at that point. The vet agreed and will email the report to me. I also went to Petworld Somerset West to check the grooming parlour . There I spoke to the Assistant Manager Cayleigh and the manager Basson, who informed me that the parlour has been closed for approximately 3 months, and they have no immediate instruction from head office to reopen it as they cannot find a suitably qualified groomer. Supervisor to review and advise on way forward
