Hello SPCA. Pls look back on this Chat and you will note I've contacted you a few times about the dogs.

People reported the Red House in Albrow Road, behind Albrow Gardens in Rugby for not feeding their dogs.

You inspected, took Mommy dog to be spayed, and returned her.

A few days later I msgd that Mommy dog wasn't ok. Then about 5 more days passed before you fetched Mommy dog. You kept her for about a week, then returned her

You returned her to a house where she's not taken care of!

I have been buying food for Ellen to feed the dogs. This can't keep on.

Last night one of the puppies was knocked. No one has bothered to take the dog for help.

Guys, this is Rugby. There's a serious lack of money and of brain cells. I say this with all due respect. Due. Only due respect.

Pls, for the love of animals, and for the sake of these NOT LOOKED AFTER dogs, and the pup HIT BY BY A CAR LAST NIGHT, pls can you step in.
