Comments:	Email sent to Asgar at Cape Nature : Good day Asgar I trust you are well. Just checking in to see if you have any update for me on this query. The lady has a python but it does not appear to have a permit for it. We have no welfare concerns with any of the animals, so from our side, the case can be closed. The complainant is not responding to our calls or emails as we have requested an affidavit from her with regards to the number of snakes and a description of the snake(s). Thanks in advance. Kind regards
