Follow-Up Date:	2025-12-29
Comments:	I communicated with the owner via whatsapp, he told me that he is still on the sea. I requested to give the permission to the caretaker to grant us access and he did not reply. I later received a measage from the caretaker stating that the dogs must be taken away as they only eat once, owner does not care for them and she is no longer home sitting there. I will update the case again when I get a response from the owner.
