Comments: Mr. Renier Nel (082 219 8793, ID 8404135167084) was at the SPCA yesterday to lay claim to the animals. He forgot to complete one of the forms but I told him he will have to come back to the office to complete it and he needs to decide regarding the dog named Lisa and the cat named Miemie. Both animals are medically compromised so they will not be able to go back to him.

He provided 4 Bluegum road in Mispunt, Klipheuwel as the new address where the animals will be going. Depending on:

- the outcome of the property inspection,
- if he can afford the fees that need to be paid
- What his plan is with the compromised animals,

We can decide the way forward for the animals.

This case can be closed and new one to be opened for the above address in respect to the property inspection and updates on the way forward for the animals.
