| Type:           | CALL RECORD - RECEIVED                                                                                                                                                                                                                                                                                                 |
| Follow-Up Date: | 2025-12-04                                                                                                                                                                                                                                                                                                             |
| Comments:       | RESPONDENT TARA 0790494356 CALLED IN RE NTC# 15067                                                                                                                                                                                                                                                                     |
|                 | SHE IS VERY UPSET AND SAID THAT SHE DOESN'T UNDERSTAND WHAT THE CONCERN IS AS HER DOGS ARE IN A GOOD CONDITION AND SHE TAKES CARE OF HER DOGS AS WELL AS SHE WILL BE GOING TO THE POLICE WITH HER NEIGHBOUR, SHE ASSUMES COMPLAINING. SHE SAID THAT SHE IS ONLY AVAILABLE AFTER WORK FOR THE INSPECTION TO TAKE PLACE. |
