Follow-Up Date:	2025-02-20
Comments:	The owner came to the office yesterday and showed me a letter that the original owner of the animals and property sent to him but it was very little detail. I requested that he does an affidavit with more detail of when they were requested to start looking after the animals and I told him he must include as much detail of this as possible. He said he will unfortunately only be able to come next week Wednesday again because he can only get off from work on a Wednesday .
