Comments:	What date did you arrive at the property? What did you do when you arrived? Did you honk, shout, or explain the events that led to you entering the property in detail? Regarding the owner of the dogs, what was said when you asked him about the dog? Did you tell him it would be better to sign the dog over, or did he willingly say, "Just take the dog"? What did the owner have to say for himself when you asked him why the dog was not taken to the vet?
