| Inspector:   | JEFFREY MFINI      |

---

|                 |                                                                                                                                   |
|-----------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Type:           | CASE DISCUSSION NOTE                                                                                                              |
| Follow-Up Date: |                                                                                                                                   |
| Comments:       | The owner took the dog to AWS and the dog was taken to SPCA as stray , the AWS made a note behind the warning that I have issued. |
| Captured By:    | I think we may close the case. NFA<br>JEFFREY MFINI 2025-05-06 20:43                                                              |
