Comments:	GWEN THE COMPL HAS CALLED IN STATING THAT THE DOG IS NOW KEPT AT THE BACK OF THE PROPERTY WITH A MAKSHIFT SHELTER (LOOKS LIKE A BATH) THE DOG IN QUESTION IS SLEEPING IN WET CONDITIONS AND HAS NOT HAD HUMAN CONTACT IN AGES, THE COMPL DOESNT SEE THE OWNERS FEED OR PROVIDE THE DOG WITH WATER, SHE UNFORTUNATELY CANNOT TAKE PHOTOS OF THE SHLETER BECAUSE SHE HAS TO CARRY A CHAIR FROM WHERE SHE STAYS IN THE OLD AGE HOME UPSTAIRS AND CARRY IT ALL THE WAY DOWNSTAIRS AND THEN TRY TO BALANCE ON THE CHAIR WHILE TAKING A PHOTO OF THE SHELTER. SHE SAYS SPCA MUST REMOVE THE DOG BEACUSE THE DOG IS SUFFERING ON THE PROPERTY AND THE OWNERS ARE NEVER HOME DURING THE DAY OR OVER THE WEEKEND AND THE DOG IS LEFT ALONE FOR MOST TIMES. SHE ALSO MENTIONED SHE CANNOT SEE A WATER BOWL AS SOMETIMES SHE CANNOT SEE FROM THE BALCONY INTO THE PROPERTY AND SHE ASSUMES THERE IS FAECES IN THE PROPERTY. RECEIVED FROM WHATSAPP : These are the best I cud take with electric fence in the way ... Building to right is the structure, with the door remaining closed and in the distance is the "shelter" for this big dog,SERIOUSLY!!!! But what can I do if Inspector is happy with that arrangement!!!! TEAH MURPHY 2025-06-23 09:43
