Comments, if any On my arrival, I met with the security who allowed onto the farm, I have proceeded next to the Kraal, where I met with one of animal handler, I requested to know where was Umar Salie, before the handler answered me, Umar came out from the house. Umar was not that happy to see me, however, he allowed me to inspect the animals. I started with sheep, I have observed about 450 sheet, 30 goats, they all appeared to be in a fair condition condition, there was no downer, there was lurcene and straw as food, there was water. Umar tried to be spiteful, he asked me a question as bow to see the healthy sheep, I told him that, from a distance, I I told there are different ways to see a healthy animal, I made an example by body score, the animal need to be bright and alert, shine coat. he was not convinced about what I have told him, he said, if the sheep is healthy will always chew the food even if is sitting down, after telling me that, he was so happy and he had a small and said to me, " you didn't know that" he was trying by all means to make me looked small and stupid, I told him, I am more interested on the welfare concerns. Then we gave proceeded to the back of the sheep Kraal, where I have observed 40 cows cattles, there was water and food. The Umar told me that, he will slaughtering 40 sheep today, then tomorrow, Umar will be slaughtering 3 cattles and the sheep. Then I had to leave the site, as there was a seizure notice, that I was issue in Tafelsig, then after issuing I had to pass to the Police station in order to obtain the OB number.
Was slaughter of small stock observed? Yes
15.Are animals handled humanely (no dragging / kicking etc) Yes
Describe the handling if inhumane They were caring the sheep

inspection
Comments On my arrival, I met with the security who allowed onto the farm, I have proceeded next to
the Kraal, where I met with one of animal handler, I requested to know where was Umar Salie, before
the handler answered me, Umar came out from the house.

Umar was not that happy to see me, however, he allowed me to inspect the animals. I started with
sheep, I have observed about 450 sheep, 30 goats, they all appeared to be in a fair condition, there
was no downer, there was lucerne and straw as food, there was water.

Umar tried to be spiteful, he asked me a question as how to see the healthy sheep, I told him that, from
a distance, I told there are different ways to see a healthy animal, I made an example by body score,
the animal need to be bright and alert, shine coat.
he was not convinced about what I have told him, he said, if the sheep is healthy will always chew the
food even if is sitting down, after telling me that, he was so happy and he had a small and said to me, "
you didn't know that" he was trying by all means to make me look small and stupid, I told him, I am
more interested on the welfare concerns.

Then we proceeded to the back of the sheep Kraal, where I have observed 40 cows, there
was water and food.

The Umar told me that, he will slaughter 40 sheep today, then tomorrow, Umar will be slaughtering 3
cows and the sheep.

Then I had to leave the site, as there was a seizure notice, that I was issued in Tafelsig, then after
issuing I had to pass to the Police station in order to obtain the OB number.

Signed
