Comments:	On 18 July 2025, accompanied by Officer Ndzondzo and Officer Baker, we conducted a follow-up visit to the property of Mr. Wayne Bowers. Upon arrival, Mr. Bowers expressed frustration, stating that he feels harassed by the repeated visits from law enforcement and the SPCA, despite having previously submitted documentation in support of his breeder’s permit application . Mr. Bowers was informed that his application for the breeder’s permit had been officially denied . He further advised that he is currently experiencing financial difficulties and is unable to afford the remaining cost of sterilizing his animals. He stated that if the authorities require sterilization, they should cover the expenses. Mr. Bowers was reminded of his responsibilities in terms of the City of Cape Town Animal By-law and was cautioned regarding the consequences of continued non-compliance. I advised Mr Bowers we would consult with the chief however, the process had begun. To follow up next Friday for further instructions.
