There's about 9 dogs living there, from what I can see most of them puppies 7-10 months old. They keep them locked in the building that is boarded up I can let see how many more there are but they got loose today and were running around. The dogs are skinny and don't look well at all. We think there are many more dogs inside the building that we can see POPI Consent • I agree to the processing of my above mentioned personal information for the purpose of electronic communication Riyaadh Salie 2025-07-31 19:05
