Comments:	[07:54, 8/4/2025] Jaco PVT: Morning . Timeline .I discovered the Tortoise on Friday morning .I got Cape Nature involved and they turned to the Spca we sent to the address the people were aggressive and the Spca phoned the police. According to Sir Lowry's pass SAP they don't have a van it operates from Somerset west. .The SPCA tried numerals times to get the police asking for assistance after more than a hour no one showed up and we were forced to leave because of the community. When the police eventually showed up the just said they can do nothing . [07:54, 8/4/2025] Jaco PVT: Reason I got involved these people were busy selling the Tortoise to a shanggoma.and conditions were poor and the had no permit [07:54, 8/4/2025] Jaco PVT: I'm still Gona try and make a case against them this morning with all these evidence owners can be locked up even is they have already sold the Tortoise
