Good day Heloise,

The inspector visited this property on 7 August 2025. As no one was home, a Notice to Comply was issued for the owners to contact us so that we could gain access to the property.

A follow-up inspection was conducted on 8 August 2025, during which access was granted by the owner. Two dogs were seen roaming freely within the property. They had access to adequate shelter in the form of a wooden shed at the back of the property, with warm blankets visible inside. Both dogs appeared to be in fair condition, with no welfare concerns noted.

The case is now closed on our side. We thank you for bringing this matter to our attention and for your care and concern.

Kind regards,

MAGDALENE MARSHALL 2025-08-12 16:36
