Comments:	I called the complainant Nikki. I introduced my and I explained to her what actions have been taken thus far. I asked her to assist me further with gathering evidence should she see the puppy chained again. She told me that It was chained as we spoke and that the other two dogs are roaming freely within the same area. I asked her to please take videos over the next three days and send them to me. She said she would.
Captured By:	I will follow up on Monday. Ayanda Ngcofe 2025-08-27 17:06
