Comments: Email received from Complainant: Dear Trevor, thank you. I think the geese have nested and I'm very worried that soon they will hatch and then the people involved will then illegally remove them. So a very stern warning letter from CoGH SPCA is important together with the intervention from Cape Nature will help prevent any harm done to the goslings. The guilty parties need to be aware that they are being watched and that the relevant authorities are aware of them causing harm.
See contact details for the managing agents of the 2 complexes below:
1. Balmoral Heights

2. Mont Serrat
leoniew@residentiustrust.co.za
I would appreciate it if you can keep us on copy when the letters of warning are sent. The people on copy to this email are:
1. Toni Buys- From the office of Councillor Jonathan Mills
2. Cape Nature- Dumisani
3. Carl Papayanni- a caring and actively involved resident and complainant (also affidavit done by Carl)
We appreciate all your help on this matter..

many thanks

Nafisa
