Unfortunately, the owner has refused to surrender the animal. The dog is without food or water and is kept on a very short chain. It is reportedly being used for breeding purposes, and Cheryl Lyn as advised that the dog has received vaccinations however this is being done by a neighbor who has no veterinary experience. Food was provided by Cheryl Lyn. We have been advised by the individual who reported this matter that the owners have a history of making the animal "disappear" before intervention can take place. Given these concerns, we request your urgent attention to this matter. Location Details: House Number: 107/110 Street Name: Cnr Milldene & Overdale East Suburb: Ravensmead City/Town: Cape Town Thank you for your swift action and assistance.
