Please describe the concern you have

Two dogs on the property. White lab and black pitbull puppy. Both these dogs are constantly running in the streets with no supervision. There is also a cat which is looking malnourished.

This is a problem house in the street, with a lot of abuse going on and SAPS are often being called out.

I fear that the dogs and the cat, who had kittens awhile back, are not being correctly cared for and that the two dogs are going to be knocked over. They run wild from house to house upsetting all the other resident dogs. The other day someone found the dogs running in another street!

Plse send your inspector out - this is the 2nd time I am reporting them as last time the property owner wanted to kill the kittens.
